"Memory of Place - Artistic Impressions of Linn and
Benton County Historical Landmarks." This show is
being organized by Ross Parkerson and myself and

See applications that have gotten artists into Fall Festival, as well as some applications that failed. Learn how much inventory you'll need as well as some other tips for art fair success. Even if you are not ready this year, it will help you get ready for the art fair world in the future.

Presenter has over 15 years experience selling pottery at art fairs, wholesale markets and galleries, as well as successful website sales all over the country.

We have room for 10-12 participants, if more are interested a second workshop will be added. Please sign up by emailing: director@corvallisfallfestival.com.

For those interested in hanging their work in CAG venues, April is the month to present your work to the guild to be juried in. More information will be given in next month's newsletter.
